Regional Faculty of the Family Therapy Institute of Washington, D.C. (The Haley and Madanes Institute)

National Association of Social Workers Diplomat in Clinical Social Work

Member - The Academy of Certified Social Workers

Member - The National Association of Social Workers

**PROFESSIONAL POSITIONS:**

Associate Professor of Social Work (tenured) and Adjunct Associate Professor of Behavioral Medicine and Psychiatry: January 1996 to present. Teach five to eight courses per year within the School of Social Work, sit on committees as assigned, advise students, write grants, engage in research and scholarly projects, act as a consultant to the Pacific Links Foundation a Vietnamese based INGO that combats human trafficking, Direct the Annual Social Work Institute at Đại học An Giang (An Giang University, VN) going on its 12<sup>th</sup> year, teach a summer travel abroad course WVU student in Vietnam and Cambodia, and to provide service to the state through consultation and workshops to various agency personnel.

Adjunct Associate Professor of Behavioral Medicine and Psychiatry January 1996 to present.

Associate Professor of Behavioral Medicine and Psychiatry and Director of Clinical Social Work, Weston Division (tenured): July 1993 to December 1995. In this capacity I

wrote bylaws for the hospital, created a Department of Clinical Social Work and helped move the state hospital from an unaccredited institution where patients were being injured to a JCAHO and Medicare approved hospital operating under managed care.

Assistant Professor of Behavioral Medicine and Psychiatry, and Director of the Appalachian Family Center, West Virginia University School of Medicine: September 1989 to September 1993. Duties include consulting, teaching residents, supervising family therapy and providing direct practice service to psychiatry patients. These services include individual, marital, and family therapy as well as group work.

Marriage and Family Therapy Consultant to Catholic Charities of Pittsburgh: September 1991 to September 1993. Meet with the Clinical Director, her staff and social interns from the University of Pittsburgh and conduct a live, video and chart review consultation and supervision on a monthly basis.

Private Practice - Plains Mental Health Associates: July 1987 to August 1989. Duties included providing, marital and family therapy to in patients and outpatients, establishing E.A.P. contracts, conducting a process group for psychiatry residents and a problem-solving group for Medical Intensive Care Unit Nurses at the County Hospital. Thirty percent of services provided were to indigent individuals or at reduced fee.

Adjunct Assistant Professor of Social Work In Psychiatry, Texas Tech Health Sciences Center: May 1985 to August 1989. Primary duties included lecturing to medical students on various aspects of services to couples and families, as well acting as consultant to the Department of psychiatry issues pertaining to marriage and family therapy.

Research Associate in Anthropology, Texas Tech University: May 1986 to August 1989. Duties included teaching a graduate level course on qualitative research methods which was cross referenced with Anthropology, and expanding the research scope of the Department of Anthropology.

Consultant to the Southwest Institute on Drug Abuse: June 1987 to August 1989. Duties included doing therapy with families that presented with drug abuse problems, family therapy consultation to other members of the Institute, acting as a resource in writing grants and implementing research on the chemical dependent family, and teaching residents and medical students.

Charter Counseling Center Director: October 1987 to July 1988. Duties included establishing the Center and acting as a liaison between Charter Hospital and the Center in matters of referral to the hospital and discharge planning. Outpatient services provided included individual, marital, family, and group therapy, as well as providing educational programs to the community on mental health issues.

Consultant to the Tribunal of the Diocese of Lubbock: August 1987 to August 1989. Participated in annulment proceedings of the Catholic Church. Duties included

interviewing witnesses and principal partners to the annulment, assessing the marital couple, making recommendations as to whether they should be granted an annulment and coming up with a final diagnosis as to the individual and relationship process that contributed to the dissatisfying marriage.

Visiting assistant professor of Human Development and Family Studies, Texas Tech University: May 1985 to August 1987. Duties included teaching graduate and undergraduate classes as well as supervising graduate students taking family therapy practicum. Additionally, approximately one quarter of the time in this position was spent engaged as an investigator with the Texas Tech University Adolescent Drug Abuse Project, which was funded through a National Institute on Drug Abuse (N.I.D.A.) grant.

Acting Director of the Texas Tech University Adolescent Drug Abuse Project: January 21 to May 15, 1986. Duties included administering this approximately half-million dollar N.I.D.A. funded drug abuse outcome study, supervising therapists in the different treatment modalities, and overseeing research on this grant. Additionally, I headed up a team of 12 students who were attempting to do an ethnography of therapy with the 120 families who went through this project.

Adjunct Instructor of Social Work in Psychiatry, Texas Tech Health Sciences Center: September, 1983 to May, 1985. Duties included those enumerated in the next position, as well as participating in a child psychiatry assessment team, treating those children and families assessed, and sitting on the Undergraduate Education Committee.

Psychiatric Social Worker, Texas Tech University School of Medicine: July 1978 to September 1983. Primary functions included the provision of psychotherapy, family therapy, and crisis intervention as well as intake screening and social histories for patients of Outpatient Psychiatry. The major portion of time was spent counseling couples and families. Time was also delegated for teaching medical students, the basic principles of marriage and family therapy emergency room call, and conducting a daily non-focused psychotherapy group for mental health inpatients. Liaison services from the Psychiatry Outpatient Clinic to other clinics and community agencies in the Lubbock, Texas, area were also a function of this position.

Consultant to the Crossroads Counseling Service: May 1979 to September, 1983. Duties included bi-monthly meetings with the staff of this Lubbock based pastoral counseling service together with three other consultants. Intakes and outgoing cases were discussed and recommendations made concerning disposition of cases and the type of therapy patients should receive.

New Mexico Health and Social Services Employee Council Member: May 1975 to May 1976. Represented State Social Service Staff in the Gallup, New Mexico area in grievances hearings and resolution of difficulties with the central office.

Sudden Infant Death Coordinator for McKinley County, New Mexico: March 1976 to May 1976. Met with and counseled all families in the county who had experienced a

sudden infant death. Group worker for First Offenders Program: September 1974 to May 1976. Counseled with juvenile first offenders of the law and their parents who were referred by Gallup, New Mexico, District Court for multi-family therapy.

President, Acting Treasurer and Board Member of Ford Canyon Youth Center, Inc: August 1974 to May 1976. A Gallup, NM, based program of drug counseling and rehabilitation funded through Title XX.

Social Worker II with New Mexico State Social Services: June 1974 to May 1975. Duties to the residents of the Navajo and Zuni Reservations included protective services to children, adoption and foster home placements, licensing, foster home studies, and working with the juvenile probation department.

Caseworker with the New Mexico Public Assistance Agency: October 1973 to May 1974. This job entailed determining the eligibility of Gallup area residents for public welfare programs
